- Positive mental attitude/Leadership: We believe in building young men whose citizenship is as outstanding as their mat skills. Each day is filled with leadership development sessions delivered by guest speakers. We also believe working through adversity is a valuable life skill, so wrestlers will be challenged to break through conditioning barriers.
- Technique: Campers will be instructed in the most effective, “cutting edge” techniques and strategies by many outstanding coaches and clinicians.
- Live Wrestling: Individual Matches & a Takedown Tournament.
